## Many Happy Returns!

# What have we been doing at nursery?

## Babies

The Babies have been taking in part in lots of spaghetti and pasta play over the last month, they have used animals and other toys to enhance the experience and also used different food colourings for the children to explore. We have also enjoyed getting messy/sticky doing lots of different arts and crafts and looking forward to doing lots more as its nearly Christmas

## Tots

In tots we have been reading lots of story books about animals, and wearing our new animal dressing up clothes. We have been on lots of walks to the park and to feed the ducks. We have also been enjoying lots of messy play with gloop, baked beans, jelly and shaving foam. We have also been learning Christmas songs for our sing-along.

## Toddlers

In Toddlers this month we have been learning Twinkle twinkle little star and 3 little monkeys jumping on the bed in Makaton. We have been exploring our lovely new natural area and resources. We have also been investigating with our new discovery treasure baskets. We have also been spending some time learning our carols for our sing-along Christmas time.

## Pre-School 1

In pre school over the last month we have introduced the sound of the week with lots of children bringing objects in from home beginning with the particular sound. On Thursday 22nd November we took part in the BIG TIDY UP on the local park and we all really enjoyed collecting litter. We have introduced a bakery role-play area that the children have been really enjoying and also made some yummy food in cooking club.

We have also been doing lots of practicing ready for our Nativity Play 😊

Don't forget you can not follow the day to day activities of the children by following us on twitter [@KidsPlanetLymm](#) or
