Nursery Manager's Welcome

Happy New Year to all our lovely parents and children.

So, what have we been doing at nursery?

Babies

We have been busy in the babies room and are looking forward to welcoming new babies in 2012

Over the last few weeks we have been putting together our Pets display. We have also been looking at Chinese New Year and Burns night and will be having a special menu with traditional Chinese and Scottish foods on the days.

Tots

We have been busy in the tots room and are looking forward to welcoming new tots in 2012.

Over the past few weeks we have enjoyed lots of messy play. We have done finger painting, as well as painting using our whole bodies. Very messy but lots of fun! We have also enjoyed making our Scottish flags in honour of Burns night.

Toddlers

We have been busy in the toddlers room and are looking forward to welcoming new babies in 2012.

We have been looking at families and new babies. We have changed our role play area into a baby clinic and taking part in activities such as bathing the babies. If you have not yet brought in a family picture we would appreciate these for our display.

Pre-School

We have been busy in the pre-school room and are looking forward to welcoming new babies in 2012.

We have been looking at Chinese New Year and exploring the different types of food. We have also had a visit from the Oral Health team to explain the importance of keeping our teeth healthy.
