Practitioner News

Rachel Gallon

I have recently moved into the Tots room and am enjoying my new challenge. The children are so entertaining and I love to watch how they develop into growing independent little Toddlers. I hope I have managed to introduce myself to any new parents and hope the baby parents are happy to see me again

So, what have we been doing at nursery?

Babies

Our core curriculum is now up and running Tots, Toddlers and Preschool are learning so much about Science, Sign, Gardening and are enjoying their special Story sessions.

The team in Babies are undergoing baby massage training this week. Watch this space for exciting news on how we will be incorporating this into our Baby room activities

Bumps and bashes

Our first parent first aid course was a brilliant success with lots to be learnt and information to take away. We are looking into booking more of these courses in the future. Well done to all who took part and thank you for the positive feedback.

Talented Parents

Are you a keen musician , artist, story tellers, actor, gardener, baker, juggler....then we would love for you to come in and spend time with our children helping them learn and appreciate different skills. Talk to us in the office or speak to your room leader.

Achievement Trees

You may have noticed in your child's room we now have a small tree. Parents and practitioners can celebrate their children's achievements by filling in a leaf with wonderful new skills or interests. Each day the children turn on the magical lights and celebrate each others success

Extra sessions, increasing sessions, siblings

The nursery is almost at full capacity which is great news. If you are thinking about increasing your child's sessions in the future please let us know asap before these places are filled.

To all our expectant families, if you have not already booked for your baby please do so asap to avoid disappointment.

Reminders.....

Comic Relief- Friday 15th March- "Crazy Dress and Crazy hair day" be as wacky as you can.

Parents evening-and information night- 26th March 6.30-7.30pm, a chance to speak to your key person, look through your child's learning journey and look around their room.

Our first birthday celebrations are on the way, can you believe we have been open for almost year!! More information to follow but we will be holding a fun day on Sat 20th April

Groups to take part in...

.NDNA Awards

Please vote for us for
NURSERY OF THE YEAR

at

<http://vote.ndna.org.uk/>

Or by filling in a form at nursery.

Staff news

We are delighted to welcome Lucy and Katrina to our team. The staff who have recently moved room are now settled and enjoying their new environment
