Nursery Manager's Welcome

We are OUTSTANDING

Hopefully you are all aware that we had our Ofsted Inspection in September and we are extremely pleased to announce that we received the highest grading possible—
OUTSTANDING!!

I would like to personally thank the whole team who work tirelessly with enthusiasm, dedication and commitment. They really did themselves proud and thoroughly deserve this amazing result. We have completed a display in the main reception area. Here you will find copies of the report for you to take home and read in your leisure.

So, what have we been doing at nursery?

OCTOBER 2012

We have been celebrating autumn by going on lots of walks to collect leaves, conkers, twigs and creating our own autumnal pictures, talking about the change in the weather, collecting food for the harvest and visiting Oak Lodge care home.

Holiday.

I will be going on annual leave from Tuesday 23rd October 2012 until Monday 5th November. Whilst away you will continue to receive the same care, welcoming and support as usual and Steph will be available to answer any questions or queries you may have.

Parking

We have received several complaints from local residence about the parking. For health and safety reasons please can we remind all parents/carers to park in the designated spaces in the nursery car park and not outside of the nursery gates or on the double yellow lines at the front of the building.

Buggy Store

If you are using the buggy store please be kind enough to collapse your pram to ensure there is enough space for all parents/carers to store their prams

Fire service

The fire service will be visiting the children during the month of October.
