Welcome to all of our new children and families. Please feel free to come and speak to me should you have any questions, queries, concerns or comments...my door is always open.

So, what have we been doing at nursery?

Babies

Tots

Toddlers

Pre-School

There have been lots of new children to settle in to nursery life this month but we have had time to celebrate Rosh Hasanah, Roald Dahl's birthday, talk like a pirate day, as well as getting ready for autumn.

Clothing

As the weather is now becoming much wetter and colder, please make sure you provide your child with a coat, appropriate footwear, hat and gloves so that we can continue to enjoy our outdoor play area.

Working in partnership

We love to hear about what you and your child have been up to outside of nursery so don't forget to tell us all about your weekend. Each child has their own communication book where staff will record this information and will use this to plan fun activities .

Core Curriculum

After sending out a parent questionnaire and gathering information on our staff interests and knowledge we have decided on the following activities for our core curriculum:-

- Science club
- Cookery club
- Gardening club
- Sign language club
- Story club

Activities will be run on a weekly basis for Tots, Toddlers and Preschool to enhance the provision and individual activities we already offer to children. We will keep you posted with more information .If you have any ideas or expert knowledge in any of these areas please let a member of staff know.

Extra Curricular Activities

We are looking into providing the following activities at a small charge:- swimming, music, drama and sport.
