Nursery Manager's Welcome

June/July 2016

Welcome to our new families, we all hope you are settling well.

NURSERY NEWS

Holidays/Term time children

Friday the 22nd of July will be the last day of term for our term time children, they will then return the week of the 5th of September. If you would like to book any extra days through the summer holidays please do so now either by email or in writing as these spaces fill up very quickly.

Parking

This has improved recently however it is still a concern. When dropping off and picking up your child can you do the following things to ensure disruption to local residents is kept to a minimum:-

- Keep your stay at nursery to a minimum.
- Refrain from parking on the kerb as this blocks access for buggy and wheelchair users
- Refrain from blocking residents drive ways.

Main Entrance

When entering the building please make sure that you only let yourself in with finger print entry and ensure the door is always closed properly. For anyone who has not yet had their finger print taken for the entrance we will be doing this over the next few weeks.

Lunch time pick up's

Just a polite notice to remind parents that pick up time is at 1pm for morning sessions, if for some reason you are unable to make this time please ensure you contact the nursery to let us know how long you will be as you may be charged. We also have to abide by the correct ratio of staff to children throughout the rest of the day.

Thank you.
