Reminders.....

Please speak to your key person if you haven't already registered for fingerprints to enable you to access the building.

Don't forget to bring in wellies and appropriate clothing for outdoor play, so we can play out in all weathers!

You can look at your child's learning journey any time, please help yourself and do tell us what your child has been interested in at home or any places you have visited so we can share this at circle time and incorporate this into our planning too! We have parent observation forms in each room, or this can be emailed over to you!

Our Toddler and Pre-school children have been exploring our finger gym activities each week, looking at our fine motor movements ready for handwriting!

I just want to remind you that if you do need a place at nursery for your new arrival, then please book them in as early as possible.

We are continuing to build in numbers each day, so to avoid disappointment, book your place at the office ASAP!
