**Nursery Manager's Message**  
Happy New Year to all of our Families.

## NURSERY NEWS

### **Medication and sickness policies**

There seems to be an ongoing confusion regarding our medication and sickness and exclusion policies. We will be having these as our policy of the month, I have sent copies to your email addresses and they are available in reception. The well being of our children is at the centre of these policies and it is really important all parents adhere to these when your child is sick or requires medication.

### **Christmas Fair**

Thank you to all that attended our Christmas fair, it was a huge success and we raised £255 for Francis House

### **Car Park**

Please take care when parking in the carpark. Please can we ask that you do not park in the turning space as this makes it extremely difficult for others to exit.

### **Nursery places**

There must have been something in the water in 2015 , we have a number of expectant Mummies and Daddys at the moment. Congratulations!!!! If you think you will require a nursery place in the future please book asap as we are almost fully booked up on some days into 2017. Just pop into the office for a form, there is no registration fee and you get 10% off the eldest

## January

We will be exploring winter and the weather in January by printing with potato's to make various patterns.

Following the children's interests in transport we will be making marks with cars in paint.
