Kids Planet The House

Nursery Manager's Welcome

Welcome to June's Newsletter, looks like Summer has finally made an appearance. I hope you have all been enjoying the warmer weather and have had some nice days out with family and friends.

So, what have we been up to at nursery?

The chickens have made it outside.....

Can you believe they are only 9 weeks old and are nearly fully grown already. We have kept 4 females who now have their very own outdoor enclosure. Each room has been taking it in turn to look after them everyday and the staff have been on weekend duties. Be sure to say hello when you pass them in the garden they love being spoken too.

Family Fun Day and Open Day: on Saturday 16th July we will be having a "Family fun day and Open day", all the money raised will be given to the "Lucy Air Ambulance" a charity that has helped one of our own families. We hope you can all join us on this day and bring some sunshine.

Parents Lending Library: We have created a space in our entrance hall with some home learning resources and information books that parents can loan. Please feel free to loan these items as many times as you like but do remember to sign them in and out. If there is anything you would like but we haven't provided please let us now and we can see if we can purchase these.

Reminders.....

School Leavers: Please can you let us know ASAP what your child's end date will be so we can plan accordingly for their transition to school or nursery.

Pre-School Graduation: Sunday 14th August- To all parents of the children who will be graduating and going to full time school please save the date!

Toddle Waddle Sponsors: Please can we have all sponsor money in by the end June. Well done to everyone who took part!!

Mobile Phones: We operate a NO MOBILE PHONE policy in our setting and this includes the entire building, including hallways.

Policy Reminder:.

Please can we remind you of our sun cream and sun hat policy. We ask that each child has their own sun hat they can leave in nursery. We also ask that you apply sun cream to you child first thing of a morning and the staff will ensure we continue to use sun cream on them throughout the day. We provide boots Soltan factor 50, if this is unsuitable for your child's skin please can you provide your own.

Did you know we have 40/46 staff qualified in paediatric first aid for babies and children.

Staff news

We have been very busy attending many different training courses lately, this ensure our knowledge is always up to date with changes in legislation and ways to help support children's development. Recently we have been attending training that supports children with their communication and development. If you are ever concerned about your child's speech please let us know was Faye is our trained Language Champion and can give you lots of activities to do at home.

Employee of the month

Tiffany from Observers has made some lovely enhancements to her room and.....
Tom: from Little Adventurers who has taken on a new role as ENCO

Team of the month

Adventurers Team:
For being prepared for their children's transitions to school and ensuring they are fully ready for their move!
