So, what have we been doing at nursery?

We would like to thank all of the parents for attending our parents evening and hope you enjoyed seeing the children's work.

Over the next few weeks a lot of our babies will be moving up to the chirpy chicks room we will keep you informed of any visits and moving dates as they occur.

please could you bring in photos of your child / baby and families for our display. This is an ongoing project.

Tots

We have been very busy this term in Chirpy Chicks we have been getting all our big boys and girls ready for their next adventure in bouncing bunnies, and also preparing for all our new little ones moving up from babies.

We would also like to welcome our new starters Oliver, Kane, Miles and Finbar to the room.

We have been having lots of fun in the sunshine playing outside in our brand new refurbished outdoor play area. We have also really enjoyed making lots of summery crafts for our new beach display board .

We will also be welcoming all our new starters from Chirpy chicks we hope you enjoy your stay with us.
