Nursery Manager's Welcome

Welcome to all our new children and families, we hope you enjoy your time here with us.

So, what have we been doing at nursery?

Babies

Katie Scott has now taken over as the new baby room supervisor. We would also like to welcome all our new starters.

Babies have been having lots of fun exploring different textures and sensory items. We have also been exploring our outdoor area and had regular trips to the sensory room to explore the lights.

We have also made a Tinker board which all the babies love, and enjoying using all their senses to investigate the different materials, come and take a look.

Tots

We would like to welcome Dawn into chirpy chicks as a new keyperson, and also Grace and Peyton have moved up from the baby room. We have had lots of fun this term getting messy and being creative. The children have really enjoyed going into the garden and planting seeds. They have been watering them everyday to watch them grow. We will also be doing vegetable tasting and trying a variety of different vegetables. Please can we remind everyone to bring in a hat and sun cream and also to check your supply of nappies with a keyperson.

Toddlers

Michelle has now taken over as the new supervisor in Bouncing Bunnies. There have been a few changes to the team but everyone is happy and settled. During the last month we have been developing our finger muscles ready for writing by moulding with playdough, using tweezers and pegging out the washing. We have also been creating marks in foam and lotion. We have also been doing lots of matching and pairing games and acting out stories from our story sacks. Watch out for our stay and play sessions and sharing busy bags

Pre-School

We would like to welcome Sally to the leapfrog team and also our new starters. Pre school have enjoyed lots of exciting activities and took a lovely trip to Stockley Farm to learn about the animals and how they are cared for on a farm. We also celebrated Best Friends Day by taking a picnic to the park. We have also been very lucky to get a visit from a real soldier who took time out to show us his uniform and equipment. Thankyou Ryan for joining us. We will also be taking part in the Barnardo's toddle on the 26th June.
