What have we been doing at nursery?

Babies

Babies have had a busy time settling in new children ready for September. They have taken advantage of the fine weather and taken walks to Grotton park. The room layout has been arranged to allow the younger children to access a new natural sensory area, a home corner and an ICT area. Over the coming weeks the children will be making new relationships with their key person and other children of a similar age.

Tots

Toddlers

Toddlers have been learning about and tasting healthy foods. They have been enjoying literacy through the 'Book of the week'. Some of their favourite stories are the 'Bear Hunt' 'Room on the Broom' and 'Shark in the Park'

Pre-School 1

The Pre-school have said farewell at the Graduation ceremony and had an exciting end of term trip to Eureka. They visited the Owl Sanctuary to learn about nature and their wider environment.

The Children's Committee chose to learn about Princes, Princesses and transformed the home corner in to a fabulous castle.

Reminders.....

Please be courteous to our neighbours when parking outside the nursery and refrain from parking on the double yellow lines.
