What have we been doing at nursery?

Babies

We would like to welcome all the new babies into the room, they have enjoyed all the new resources and areas created in the room. We now have Parent home bags for you to explore at home with your children, pop in and have a look.

Tots

Tiny Tots have enjoyed exploring the new den space in the room and as usual getting messy, they would like to say Goodbye to some of their friends that will be moving to Toddlers at the end of the month. The children loved getting out and about exploring the local community.

Toddlers

Toddlers have enjoyed a variety of activities over the summer including Pirate day and smoothie making. Our recent Grandparents afternoon Tea was a massive success so keep an eye out for more family events.

Pre-School 1

Sheldon the tortoise has moved into our Pre-school room, the children have enjoyed including him in all the activities and caring for him.

They have created an Autumn area that the children have loved exploring, keep an eye out for what comes next.
