SO WHAT HAVE WE BEEN UP TO AT NURSERY?

BABIES

The children in the baby room have been celebrating Christmas and made beautiful cards and gifts for their family.

They have been exploring a new sensory area made up of wooden, metal and natural materials.

The room practitioners also made a Christmas themed treasure basket with sparkling snow globes, baubles and tinsel for the children to investigate and explore.

TOTS

TODDLERS

Toddlers have celebrated Bonfire Night and Christmas by taking part in lots of sparkly activities. They had a Christmas party filled with fun, games and lots of dancing and singing.

Father Christmas made an appearance and brought gifts and prizes for all the children.

PRE-SCHOOL

Pre-school worked extremely hard leading up to the festive period and performed in the nativity play. Producing a Nativity featuring 40 children aged between 2 and 4 years old could not be possible without dedication for all our families and staff.

The children turned the role play area in to Santa's Workshop to develop their cutting and measuring skills.
