# SO WHAT HAVE WE BEEN UP TO AT NURSERY?

## BABIES

Babies have enjoyed exploring lots of different heuristic and treasure basket play. We find that this is the best way for a young baby to learn and to develop their imaginative play skills.

If you require any further information on this please speak to a member of staff from the baby room.

## TOTS

We have been busy in Tots learning all about Spring. We have enjoyed lots of painting and gluing and sticking to create new spring pictures for our displays.

We have also been reading a story about Easter and enjoyed doing our own little Easter egg hunt around the garden.

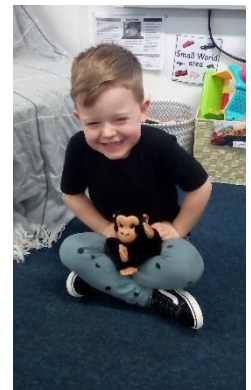

## TODDLERS

Toddlers are currently enjoying playing and exploring in their new role play area which has been changed into a Bakery. The children are learning about how we need recipes and ingredients to make cakes etc and have been looking at how we weigh the ingredients out.

## PRE-SCHOOL

Pre-School have had had a little visitor come and stay with us called Kofi. Kofi is a monkey who was found at a train station. Kofi has come to introduce confident talkers from the early years language pack. We use Kofi during input sessions and in small groups with the children.
