Welcome to our Kids Planet Crewe Newsletter

April 2018

We would like you all to join us in welcoming our new deputy manager Hannah Birchall to Kids planet Crewe, she is settling into her new role really well. We have also welcomed Shannon Parry, Rachel Winfield and Bethany Spencer who have joined the team recently.

EVENTS

•We will have a new parent information board in reception with lots of information about local events and funding.
•Keep an eye out for dates of the next stay and play and themed sessions.
•Can you please make sure that the office have your up to date email address so we can send out information.
•Our policy of the month is displayed in the corridor between pre-school and the office.
•Monday 23rd April – St George's Day, activities will be taking place throughout nursery, please keep a look out for information.

SO WHAT HAVE WE BEEN UP TO AT NURSERY?

BABIES

Babies have been getting ready for Spring, they have been exploring scented sensory bottles, flowers and have been exploring the garden.
We have also welcomed lots of new babies who have settled in brilliantly and said goodbye to our older babies who have started a new adventure in Tiny Tots.

TOTS

Tiny Tots have been exploring different ways of emptying and filling by using different textures, sand, water, soil and dried ingredients. We have also been food tasting during snack time to build up our willingness to try new things.

TODDLERS

Toddlers have been very busy making lots of Easter treats. Some children have also taken our bear Charlie home to play. The children have enjoyed listening to their favourite story “we’re going on a bear hunt” and we have said goodbye to some children who have moved to the pre-school room and hello to new friends who have joined our toddler room.

PRE-SCHOOL

Pre-school have been busy celebrating Easter, taking part in lots of Easter activities and we loved all the amazing bonnets that were brought in for our competition. We were also lucky to watch our chicks hatch and then help care for them. Our older children are starting to get ready for school, focusing on rhyming words and phonics, which they are all really good at.

Kids Planet
