SO WHAT HAVE WE BEEN UP TO AT NURSERY?

BUTTERCUPS

Our youngest children will be exploring in our new baby room and getting to know the environment, we will also be welcoming some new families to the Baby Room.

We will be exploring lots of new and different smells through play using nature sources to smells, touch and taste.

The children will also be exploring textures in the outdoors through sand and water play as well as colours. We like to ensure children explore using their marks. We use chalks and paints to get messy and make children's own creations.

Please can we ask for children to bring hats, cream and spare clothes with their names on/in them.

DAISIES

We will be looking at all things Jungle over the next few weeks. Animal Boogie is one of our favourite books so we are going to make our very own jungle. This will also link to the books and display we are going to make and display in Fulwood Library.

The children will continue to visit the library and looking at all the different book sand join in with song and rhyme time.

Over the next few weeks lots of our children will be going on holiday, please could you email us any of your pictures for us to discuss at circle times and make a display all about Summer.

Please send them to Kirsty.Powell@kidsplanetdaynurseries.co.uk

SUNFLOWERS

As we say Goodbye to lots of the children leaving for school we also say hello to some new children moving through from the Toddler room.

We will be going on outings to Oxford house doing nice little activities with the residents such as singing, crafts and games. They are all very excited to meet the children.

Our New Kids Planet children's uniforms will be in stock with Kirsty in the Office from the middle of June. If you would like to purchase any please come and see her to try on sizes and purchase items. The uniform colours will be light blue t-shirts and blue jumpers. Blue summer dresses are also a lovely option for the summer.

Any questions please just ask
