## SO WHAT HAVE WE BEEN UP TO AT NURSERY?

### BABIES

The Babies have enjoyed building with the bricks as well as using them to make marks with the paint! They have also enjoyed dressing up as builders. A construction display has been made that you can have a look at!

The babies have also loved being outside

### TOTS

The Tots have been talking about Summer, they have made their very own beach in the tuff tray and made some lovely beach pictures.

They have also been celebrating the festival of EID

This week the Tots will be exploring a zoo theme

### TODDLERS

The Toddler's home corner has been turned into an airport as lots of the children have been on their holidays! They have been packing the suitcases and carrying them around the room.

If you have any holiday photos please share them on Parent Zone as we would like to make the children a holiday book.

### PRE-SCHOOL

The Pre-School have enjoyed playing in the school home corner and talking about going to school. They have all been practising their self help skills 😊

They have also enjoyed talking about how to keep fit and healthy, making their very own salads and smoothies!
