SO WHAT HAVE WE BEEN UP TO AT NURSERY?

BABIES

In Babies this month we will be exploring lots of sensory play and textures, we have lots of new babies, so we want to introduce lots of new experiences.

We will be focusing on lots of action songs over the month, this will help the babies expressions, actions, and social skills.

In Tots this month we will be focusing on our animals along with lots of story books around animals and sounds. Tots have been showing interest in this and we would like to add this into our activities and help the children with copying expressions, and to become more aware of simple sentences.

All rooms will be making lots of beautiful arts and crafts for our daddy's for Fathers Day.
