

Kids Planet

Welcome to our Kids Planet Warrington Newsletter

It's June! ☺ The weather is getting nicer and brighter so we will be doing more of our exciting forest school activities in our outdoor area and forest area on the local park!

Thank you to our mums who came on our pizza and prosecco night, it was wonderful having a chat and an opportunity for you to chat to each other. If you have any ideas of what to do next then please let us know.

During this term, we will be getting ready for the transition for school so lots of work and exciting times for our staff and pre-schoolers.

Welcome back to Jess and Sophie this month, who return to Preschool from maternity leave ☺

EVENTS

5th – Baby messy session 10am-11am. Please book in.

15th June – Father day breakfast. Enjoy breakfast with your little one in nursery from 7.30am – 9am. Bacon/sausage sandwiches and fresh orange juice.

19th – Toddle waddle for Barnardo's on Bank Park at 2pm. All families can join us for the walk followed by a picnic in the bank.

29th – International Mud Day – the day to celebrate our environment and nature. Please come to nursery in old clothes and shoe/wellies and a spare towel.

29th – Warrington Walking day. Some roads may be closed in the town centre.

SO WHAT HAVE WE BEEN UP TO AT NURSERY?

BABIES

This month we will be looking at different flowers and planting our own seeds. At the moment, we have our own herb garden with different smells in it and are waiting for our sunflowers to grow. Lots of bright colours for us to look at and explore!

We have lots of new babies starting during June so we have lots of new friends to play with.

As always, our baby messy classes are on the first Tuesday of the month 10am - 11am. Come along and invite a friend!

TOTS

Tots have been exploring fruit and vegetables and are looking at enhancing their growing area. We will be using fruit and vegetables to make yummy smoothies.

We are updating our displays and would like any photos of the children from home of their garden or of them having fun in their garden. Please email them to nursery.

We are changing our role play area to an ice cream parlour and will be tasting different flavours and making a new holiday display.

We will be starting stretch and grow classes every Thursday to develop gross and fine motor skills.

TODDLERS

We have been learning about mini beasts and creating our own bugs to display in our room. We have been on a bug hunt in our local park and we will be looking at where the bugs live and exploring natural materials.

Toddlers role play area is now a Farm shop where we sell fruit and veg. If you have any ideas to enhance this area for the children then let us know 😊

Thank you Helen Howarth, our local dental nurse who came in. The children earned about how to brush their teeth correctly and what good things to eat.

PRE-SCHOOL

Preschool have had their committee meeting and want some more tents, board games and card board boxes to play with as well as making rockets so we will be incorporating their ideas into their learning environment. We have a new interest of freezing items and trying to get them out. We will be going on more walks to collect natural items to freeze. We are also going to be making our own ice cream as well as hopefully meeting our new teachers throughout June and July.

Please check lost property and bring in sunhats and sun cream 😊
