Welcome to our Kids Planet Warrington Newsletter

July is a busy month! We have lots of events so please take note.

Please come along to our annual Summer Fair on Saturday 14th July as we have a BBQ and bouncy castle for the children and some lovely stalls.

Please remember to drive safety in and out of the car park and to respect other drivers. We only have a small car park so we need to be patient. If there is no room, then Bath Street has 90 minute spaces to use.

SO WHAT HAVE WE BEEN UP TO AT NURSERY?

BABIES

This month we have more new babies starting and we have also moved our free sensory session to a Monday morning at 10am. Please com along and join us ☺

We have been enhancing our room further by adding more natural and sensory items to keep our babies stimulated and growing.

TOTS

Tots are making new mini-me's of themselves and of their families so please email us some photos of family members.

We are enhancing our circle times and groups times by using more story props, puppets and bringing music.

We have started MOO music every Thursday afternoon so the children will be using different props and music to learn about different activities and learn new words.

TODDLERS

Toddlers have enhanced their finger gym and added new resources to encourage fine motor skills and to help with writing when going to preschool.

We have started making our new mini me's to enhance our imagination and play as well as help with our feelings.

We have been busy making a new cosy area and new feelings area to help us understand our feelings more and learn about others feelings.

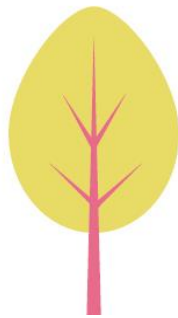

PRE-SCHOOL

We have enjoyed welcoming our new staff back into the room.

In July we will be focusing on school week and meeting our new teachers from reception.

We will be celebrating the world cup by looking at the countries taking part, making our own flags and practising our football skills.

We have a homework task to enhance our feelings corner and make a book about what makes them happy/sad.
