

Welcome to our Kids Planet Wallasey Newsletter

Welcome to our September / October newsletter.

We had a busy start to September, with saying goodbye to a number of our Pre-School school but we wish them all the best for their future. It has been an absolute pleasure and privilege to have worked so closely with the children and their families. We hope you will stay in touch and visit when you're nearby.

We would like to offer a warm welcome to all our new children and their families. It has been wonderful to watch how well the children are settling into their areas and bonding with their keyworkers. If any parents have any concerns or questions, please feel free to speak to myself, Jennie or Tracy – we are here to help and offer reassurance at all times.

We are very excited to be part of the Kids Planet Group and welcome the support in which we will receive from the experienced team based at Head Office. This support allows us to continually improve and develop our service to you and your children.

Kids Planet is a family run group who have over thirty nurseries and we have been voted #1 in Nursery World for delivering quality childcare, hence we can safely say that your little ones are in very capable hands.

SO WHAT HAVE WE BEEN UP TO AT NURSERY?

BABIES

As the new babies settle into their new environment, it has been so lovely to watch them create such lovely bonds with their keyworkers.

We have enhanced our black and white area in order to support the vision development of the little ones.

We recently visited the park to collect leaves which the babies can feel and crunch with their fingers and toes. With these, we create Autumn treasure baskets.

TOTS

Our Tots have been busy exploring all things Autumnal. They have been on many walks, collecting treasure to use in later activities.

We have also been introducing new words to promote the children's communication and language skills.

Please Note:
We are sending Autumn bags home for the children to collect resources to bring back to nursery for us all to investigate and explore together.

TODDLERS

During September, the toddlers enjoyed learning about all things Autumnal. They have been exploring various textures related to Autumn, such as: hay, leaves, pine cones, acorns and shavings. Not only that but they have been learning about our woodland animal puppets: badger, squirrel, fox and owl.

PRE-SCHOOL

The children have been exploring the Montessori room and enjoying all the new learning experiences that the room has to offer. The children will shortly be bringing home a book from our Lending Library so they can share the joy of books with their family. During music sessions with Gill, the children have been learning Harvest songs.
