SO WHAT HAVE WE BEEN UP TO AT NURSERY?

BABIES

The Babies have enjoyed exploring the different textures of our new silky scarves during our music and movement sessions.

We have also been exploring lots of messy play sessions that have included different ingredients from gloop to pumpkin play. Please see a member of staff for any further information on messy play activities.

TOTS

Our Tots have also really enjoyed participating in music and movement sessions. We have been learning different songs and different actions.

They have especially enjoyed dancing around using our new ribbon sticks.

TODDLERS

The Toddlers have been learning all about environmental sounds and going on environmental walks around the garden.

We have also been looking at our Autumn book "*The Very Helpful Hedgehog.*" The children have created their own artwork to display in the room.

PRE-SCHOOL

Our Pre-School have been learning all about the seasons.

The children have been talking about Autumn and what happens in Autumn.

We have made Autumn bags for the children to take home to fill with autumn items to bring back to Pre-School for a show and tell session.
