17th is National Pasta Day. We will be celebrating by making our own pasta dough and making pasta necklaces.

29th - 31st is Halloween Week. During this week, we'll be celebrating all things spooky with crafts, pumpkin carving and dressing up.

SO WHAT HAVE WE BEEN UP TO AT NURSERY?

BABIES

The Babies have been busy settling into their new room as well as exploring the outdoor area. They've had a lot of fun exploring messy play and practicing using baby signs throughout the day.

TOTS

Our Tots have enjoyed playing in the sensory room, discovering the change in colour of the lights by turning the dice. They have also loved lots of malleable play including coloured sand, cereal play, painting with sticks and leaf printing.

TODDLERS

The Toddlers have explored their garden and spending time outdoors. They've brought in autumnal bags from home and have had a lot of fun looking through the contents with friends.

PRE-SCHOOL

Our Pre-School have been making use of our walk-a-dile, enjoying short trips into our local community and being out in the fresh air.

Baby Room: Messy Play

Trip: St Mary's Church

REMINDERS & ANNOUNCEMENTS

Please can we remind parents not to allow any other person into the building behind them. We appreciate it is part of our British culture to be polite and hold the door open for the next person, but from a safeguarding point of view we need to control who is coming into our building. Thank you for your understanding.

Parent Zone (the app for information at nursery) is now up and running and parents should have received their log in's via email. If anyone has any difficulty logging in, please come and speak to Jennifer or Becky in the office.
