SO WHAT HAVE WE BEEN UP TO AT NURSERY?

BABIES

Our Babies have been exploring vegetables in preparation of the Harvest Festival and we've encouraged their language by using the veg and their textures.

They have also been taking part in First Aid Day, making sure that their dolls and teddy bears are feeling better. There has been plenty of messy play with spaghetti, oats, vegetables and painting.

TODDLERS

The Toddlers have been busy learning all things space, making planets and stars which they've enjoyed. As well as the babies, our toddlers have been playing doctors to celebrate First Aid Day. Bandages were used and we talked about what to do when we feel a little under the weather.

Coming up, they will be celebrating The Big Draw; experimenting with colours and textures to be creative both indoors and out.

RISING 3S

Our Rising 3's have been having lots of fun making cement out of sand, washing up liquid and water. They've used the cement to build walls with the wooden blocks outside.

We have been doing plenty of activities about our feelings, how to deal with the unhappiness and looking at the emotive cards to practice our facial expressions.

PRE-SCHOOL

The Pre-School children have enjoyed an exciting trip to Stretton St. Matthew's School to watch Goldilocks and the Three Bears. The children really enjoyed going on the coach journey.

We have been doing lots of activities focusing on Autumn; the children have collected sticks, using them as magic wands which has promoted imaginative play. The children are really looking forward to making Halloween crafts, ready for our party.

REMINDERS & ANNOUNCEMENTS

A big thank you to Kim for organising our Macmillan Coffee Morning Cake Sale and to those members of our staff and parents who donated delicious cakes. We raised a fantastic £128.00.

Please make sure that you RSVP for our Halloween Party so we have the correct amount of numbers for catering.
