## Welcome to our Kids Planet Swinton Newsletter

There are lots of dates for your diaries as we take a look at the whiteboard in your child's room, this is so you can keep up to date with any messages and/or events.

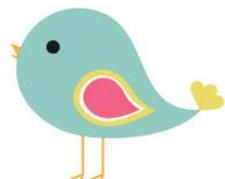

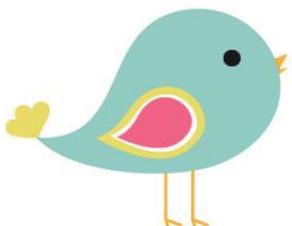

We also have a few new faces in our team and we know that you'll help us make them feel settled in the nursery.

### EVENTS

**15th is Baby Yoga and Massage Night.** We will be inviting all of our under 2 parents to a baby yoga and massage masterclass between the hours of 6:45-8:00 which will be delivered by Beth and Teri. We will be handing out packs and bags for all who attend. If you would like a place on this night, please speak with the office.

**15th is Baking Week.** During this week, we will be taking part in lots of different baking activities and enjoying some of the goodies that we make. Don't worry parents - we'll send you some samples home to taste test!

**31st is Halloween.** On this day, we will be coming into nursery wearing one (or a mix) of these colours: black, red, green or orange. Lots of spooky activities will be enjoyed by all. Not only that, but between the hours of 3-4pm, we will have our own Halloween Party which all children are invited to. If your child does not attend on this day but wishes to join in the party, an adult will have to accompany them.

## SO WHAT HAVE WE BEEN UP TO AT NURSERY?

### BABIES

During October, the Babies will be focusing on different textures as well as the smells of Autumnal objects such as leaves and twigs. We will also be making our own Halloween decorations for our room.

### TOTS

This month, the Tots will be focusing on physical skills such as Baby Yoga. They will also be involved in lots of messy Halloween activities.

### TODDLERS

During October, the Toddlers are going to be focusing on using their senses to explore the outdoor area as well as looking at our findings and using these to make lots of messy play activities.

### PRE-SCHOOL

This month, the Pre-School children will be looking at the topic: All About Me. This focuses on looking at the people who are close to us and our friends in nursery. We are also continuing to focus on our daily routine as well.
