SO WHAT HAVE WE BEEN UP TO AT NURSERY?

BABIES

This month the babies have been doing all about the jungle at nursery. They have explored lots of different materials in the sensory tuff trays.

They have also enjoyed some trips to park where we collected leaves, sticks and mud to explore back at nursery.

TOTS

This month we have visited the park a couple of times where the children took part in bear yoga.

The tots have also really enjoyed lots of messy play which has linked in with the theme of Halloween.

The new imaginative corner and resources is continue to encourage curiosity.

TODDLERS

This month the Toddlers have been doing all about the jungle at nursery. The den has now been changed into a jungle theme, which the children love.

Toddlers have explored lots of different materials in the sensory tuff trays recently.

They have also enjoyed some trips to park where we collected leaves, sticks and mud to explore back at nursery.

PRE-SCHOOL

In the Pre-School room this month they have been interested in planting and gardening.

Following on from this interest and linking with Halloween this week the children have enjoyed discussing spiders and learning lots of new things about them!
