# SO WHAT HAVE WE BEEN UP TO AT NURSERY?

## BABIES

This month we will be having a walk to the cenotaph and painting poppy picture for Remembrance day.

We will be creating colourful firework pictures using bright finger paints and exploring bonfire themed sensory activities for our babies to have fun in.

We are raising money for children in need and helping to bake. We like stirring the mixture in the bowl.

## TOTS

We have been focusing on our home roleplay area and have introduced real life objects for the tots to explore and build on their imagination and curiosity. If you have any unwanted household items then please bring them in for our children to use – candle holders, trinkets, chunky jewellery, tea sets etc.

We have enhanced our construction area with real pipes and tools for the tots to use and they have enjoyed wearing the builders hats and hi-vis jackets.

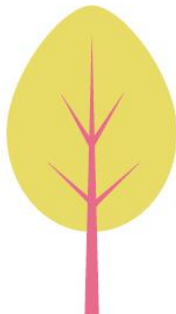

## TODDLERS

This month, we have been enhancing our roleplay area with real food items and natural resources to build on or imagination skills. We have been learning about signs of Autumn and incorporating forest school activities into activities such as mark making with hammers and leaves that we have collected. We have enjoyed celebrating Halloween with lots of fun activities and dressing up.

## PRE-SCHOOL

We have got lots of exciting new areas in the room to explore and learn in. We are going to be doing lots of colourful bonfire activities and talking about firework safety.

We are starting to practise for the Christmas play which is on Thursday 13<sup>th</sup> December at 2pm. It will be at Holy Trinity Church in the town centre. We look forward to seeing you there.
