SO WHAT HAVE WE BEEN UP TO AT NURSERY?

BABIES

Babies have been enjoying exploring sensory play by using Autumn resources, pumpkins, leaves etc. They have been painting with the leaves also and making lovely pictures.

TODDLERS

Toddlers have been exploring textures by carving pumpkins, they have also been comparing sizes of their pumpkins. They have included Awe & Wonder resources in their play, which has been a great hit. We have put a note out in the porch to explain what this is and to see if you have anything at home to donate.

TOTS

Tots have been enjoying all their new equipment and resources in their room, particularly the slide. They have been learning about animals and their Rhyme of the month is 'Walking Through the Jungle'. They have also been taking part in sensory play, exploring their senses.

PRE-SCHOOL

The children in Pre-school recently took a trip to our local library, they enjoyed travelling on the bus and borrowing some books, they plan to take them back soon. They have been investigating Autumn, collecting items to bring in and explore, looking at lots of natural materials. They have also been including awe and wonder in their play and have been very interested in the items that have been brought in to investigate.
