Kids Planet

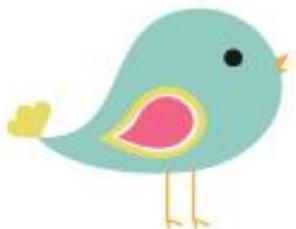

Welcome to our Kids Planet Sheepbridge Newsletter

What a whirlwind of a month! The transition from The Jungle to Kids Planet Sheepbridge is well under way. Keep posted for more developments as they happen, we have new signs going up soon and a brand new Kitchen as we will be cooking all of our own meals.

EVENTS

We had an amazing Parent Event in March for Mothers Day. Thankyou to all the Mummies and Nana's/Grandma's who came in to join our craft session. We hope you liked the goodies you created with your little one 😊

We will be looking at our theme of 'Spring Time' over the coming weeks. We will be planting flowers and seeds and conducting experiments around this.

SO WHAT HAVE WE BEEN UP TO AT NURSERY?

BABIES

During April the babies got creative. They created a new collage display using different Textures to show off the babies Artwork. Come in and take a look.

We have been developing our 'Baby Garden' with new activities and equipment, so we can enjoy the change to warmer weather and explore the outdoors.

Thank you to all of our families who joined us for the Mothers Day event. We hope you had as much fun as we did!

TOTS

TODDLERS

PRE-SCHOOL

Our Toddlers have been having fun in the Garden Centre this April.

Self Serve Meals have been introduced over the last few weeks and this has brought on the children's independence and development. Big Achievements 😊

The Toddler Team are working very hard, creating new displays in the room, including making Spring Animals.

The children have been practicing their Shapes. Well done guys.

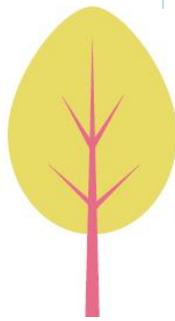

Our new Toddler friend, George the Monkey has been promoting positive behaviour in the room, the children notice George's Smiley face when he is happy.

Our Pre-schoolers have been little scientists recently, experiments included 'melting' and making a Volcano using shaving foam! WOW!!

Lots of Easter crafts including Collages, Easter wreath's and Egg Bunny prints.

We turned our role play into 'Percy the Park Keeper' and used real vegetables to learn about growing and planting. We talked about healthy fruit and vegetables too.

The children have been working hard to recognise and find there name, shapes and matching numbers.

REMINDERS & ANNOUNCEMENTS

Please can we remind parents to amend all Direct Debits to the new bank details for Kids Planet. Voucher Companies should also be amended for payments to go to Kids Planet Day Nurseries, Lymm.

Now the weather seems to be warming up a little, could all parents please provide their children with a labelled Sunhat and Sun Cream, factor 50 minimum please, and please ensure the children have had this applied before attending nursery on sunny days.

We will be opening our brand new kitchen very soon, we welcome any fresh ideas to put on our new menus. We are so excited!

GROUPS TO TAKE PART IN

We are currently enhancing our sensory room, with new equipment and sensory toys.

We will be doing lots of sensory, relaxation sessions and Yoga when this is complete. Watch this space...

STAFF NEWS

In May we say 'See you Soon' to Danielle who is taking some time away from childcare. Lianne will also be leaving us to start a new adventure.

We will be welcoming Carrie, our new cook that will be joining us in May. Carrie has many years experience in the food industry and cant wait to get to know all the children and make lots of yummy dishes for them. 😊
