29th July – Graduation party and ceremony @2-4pm

(Details to follow)

30th July – Friendship Day

Last day of term – saying goodbye to some of our friends

SO WHAT HAVE WE BEEN UP TO AT NURSERY?

BABIES

In the baby room we have been exploring with open ended resources and pine cones.

We have loved looking our ourselves in the den and mirrored walls. The den has been a great way to get the younger children to look at their own reflection.

We have welcomed some new babies to our room and have been exploring in the black and white areas of the room.

We have also spent time with the tots in their room supporting children ready for transitioning through in the coming weeks.

TOTS

In tots we have been enjoying playing afternoon tea with our friends and soft animals.

We have also been looking at healthy eating and linking this to the Hungry caterpillar. We have been doing fruit printing, food tasting, posting items into the caterpillars mouth.

We have also been on a safari in the jungle. We have loved playing with large animals and hiding in the jungle den. We have explored with insects, coloured rice and sand as well as exploring using instruments making sounds and jungle noises.

TODDLERS

In Toddlers this Term we have been exploring in the doctors surgery and creating our very own police car and fire engine pictures,

We had a visit from the fire engine and we loved sitting inside.

We have looked at people who help us and used our role play to re-enact and be imaginative.

We have also loved turning our role play into a jungle and reading our Rumble in the Jungle book. We have been listening to animal sounds and linking these to familiar animals.

We have also enjoyed space and using aeroplanes and looking at the helicopters while in the garden .

PRE-SCHOOL

Over the last half term we have been looking at living things and life cycles. We had 8 baby chicks hatch here at nursery and we watched out caterpillars turn in to butterflies.

We have visited the local church, we where looking at building in our community and asked Father Andrew if we could visit.

We have also been learning about our bodies and how to keep ourselves healthy. We have used key worker time to look at bones, healthy and unhealthy foods and exercise.

We also had a visit from the fire engine – our children loved looking at all the equipment and sitting inside.

Please see FB for pictures ☺

REMINDERS & ANNOUNCEMENTS

We would like to remind parents that all payments extra curricular activities are cash only. Payments will be based on every half term as a total amount per block of sessions. We must ensure prompt payment so we can pay invoices promptly.

Please can you ensure to go over to our Facebook page and like our page. We post lots of pictures and information and we would hate for you to miss out on what we have going on.

Please can we ask that you review your information via the app to update contact details, mobile numbers and work contact numbers to ensure we have all details we need should we need to get in touch .

GROUPS TO TAKE PART IN

Swimming
Spanish
Actiphons
Rock & Learn

We have Core curriculum groups across the nursery such as cooking, gardening, yoga and much more...

STAFF NEWS

We would like to welcome Ellie to our team. She is our new Baby room leader.

Each Monday we will be posting a meet the team post on Facebook to help you to get to know your nursery staff a little more.. Keep an eye out!

We would also like to congratulate Kerry Anne on her promotion in becoming our new Third in Charge.
