SO WHAT HAVE WE BEEN UP TO AT NURSERY?

BABIES ROOM

The children have been making good use of the baby garden. Linda has created some beautiful flower beds for the children to explore their senses.

We are looking at enhancing the baby garden further. If you have any suggestions please discuss with the baby staff team we are looking forward to your suggestions.

Parents who have not already done so please bring in some family photographs. So we can make family books to share with your child and their friends.

Please can you bring shoes or spare socks for outside.

TODDLER ROOM

The Toddler Room has had a revamp and is looking bright and cheerful with the new areas. The outside veranda is the next to be uplifted and plans are in place.

This term the Toddlers will be exploring their personal and emotional needs as they settle in to the Toddler Room.

If you haven't already done so, please can parents bring in a whole family photograph (immediate family) for part of the family display.

RISING 3'S ROOM

This Summer the Rising 3's children will be exploring summer and developing independence skills.

Well done to all the children who have had star of the week, we have enjoyed reading all about Rosie Bears adventures. Rosie is looking forward to her next big adventure.

We have been busy learning about community. Visiting parks, the garden centre, the library and TESCO. We are looking forward to continuing this over the summer months.

PRE-SCHOOL ROOM

This month we have been reflecting on the years that have passed by so quickly. We say Goodbye and Goodluck to our Pre-school children who are all amazing and will thrive as their new adventure progresses. Thank you to everyone who attended the school graduation I hope you enjoyed it as much as we did.

While we are saying our goodbyes we welcome a new Pre-School group of children, as we prepare the children for their move settling in to their new play environments. We will be having a school admission meeting within the first few weeks of September and look forward to seeing you all there (date to be confirmed).

Please return All about me forms to aid a smooth transition.

REMINDERS & ANNOUNCEMENTS:

Please download the Parent Zone App. If you are having difficulties doing so please speak to Aimi and Claire.
