

Summer 2020

Welcome to our LITTLE LEVER NEWSLETTER

EVENTS:

It has been amazing to see so many of our families return over the past two months. All happy and healthy.

It has been wonderful to see all the fantastic activities and celebrations that the children have been enjoying during lockdown. The photographs that have been sent in have been brilliant for keeping children's development records up to date. We have also created displays for the children to share their experiences with their peers and staffing teams.

All the children have settled in really well and seem very excited as they wave goodbye each morning, with smiles on their faces.

Over the Summer we will be raising money to support Chester Zoo by adopting our very own animals. There will be various activities going on over the Summer more information will follow. We have attached a sponsor form for a Sir Tom Moore Challenge Good Luck 😊 .

Below is a link to the Kids Planet Chester Zoo Just Giving Page.

SO WHAT HAVE WE BEEN UP TO AT NURSERY?

BABY ROOM

Over the Summer months the babies will be exploring the awe and wonder of the summer seasonal changes. Promoting physical independence i.e. meal time, crawling, walking skills and developing hand washing skills.

We will be welcoming some new friends as they start their journey at kids planet. We will be having lots of fun getting messy, so please bring some spare clothing.

TOTS ROOM

Tots get busy as they develop an understanding of their self and the world around them.

We will be promoting positive dental hygiene throughout the summer developing an understanding of bottle/dummy use and tooth brushing. We will be sending out packs in the coming month.

TODDLER & RISING 3'S ROOM

We have had some amazing results with toilet training during lockdown with most of the children either toilet trained or have made a start. If you would like some advice or help on getting started please ask.

This term we will be focusing on growth and decay. Alongside the seasonal changes Summer brings.

PRE-SCHOOL ROOM

This term we will be welcoming children as they begin their Pre-School journey. That time has come where we say goodbye to our amazing Pre-School group as they start their new journey to Primary School. We have began transition reports and been in regular contact with teachers in preparation to ensure a smooth transition. Unfortunately we will be unable to do a Pre-School Graduation or Leavers party in our usual way. We do have a few ideas to still make it special, watch this space 😊.

REMINDERS & ANNOUNCEMENTS:

Please download the Parent Zone App. If you are having difficulties doing so please speak to Aimi and Claire.

In the next week or two we will be sending out an electronic update document for child contact details and permissions please complete and return.

If you require Holiday club, before and after school for school aged children please contact Jen or Marie at littleleverOOCs@kidsplanetdaynurseries.co.uk.

If you need any support on toilet training, safe sleeping, school admissions and transitions. 2 and 3 year funding or any other support please speak to a member of the team.
